

Computer Software License Agreement

The computer software known as **HYDEN version 1.0** (“**The Software**”) was created and developed in the course of research by **Prof. Ron Shamir and Mr. Chaim Linhart** (“**The Researchers**”) at the School of Computer Science, Tel Aviv University (“**TAU**”). TAU encourages the use of the Software by researchers in academic institutions (“**Licensee**”) for non-commercial research purposes subject to the following terms and conditions: If you and your institution agree to be bound by the terms below, please print the document, sign yourself and have it duly signed by your institution and have it mailed to Prof. Ron Shamir, School of Computer Science, Tel Aviv University, Tel-Aviv 69978, Israel. Upon receipt of the **original signed** document, the Software shall, promptly, be made available to you.

1. It is hereby agreed that all right title and interest in and to the Software and any translations, adaptations, alterations, modifications or similar derivative of any of the foregoing and in and to any physical embodiment of the Software and associated documentation vest exclusively in Tel-Aviv University and/or RAMOT - TAU Authority for Applied Research and Industrial Development Ltd.

2.1 Licensee is hereby granted a non-exclusive, non-transferable license to use the Software for the sole purpose of performing non-commercial academic research. (Such research shall not include research sponsored by a commercial entity).

2.2. For the avoidance of doubt it is hereby clarified that the license to use the Software as aforesaid does not include any obligation or undertaking to supply any accompanying services or improvements.

3. Licensee agrees not to distribute or transfer the Software or any portion, copies or derivatives thereof, to another location or to any third party.

4. Licensee agrees not to make any copies except as necessary for his exercise of this license in his own laboratory. Any copy shall bear an appropriate copyright notice specifying the above-mentioned authors and proprietor.

Scientist initials: _____

Legal representative's initials: _____

5.1. Licensee acknowledges that the Software is a research tool, still in the development stage. Hence, it is not presented as error-free, accurate, complete, useful, suitable for any specific application or free from any infringement of any rights. The Software is licensed AS IS, entirely at the Licensee' s own risk.

5.2. Nothing in this Agreement shall be deemed to be a warranty or representation by TAU, Ramot or the Researchers, in connection with the Software and its use, including, without limiting the generality of the aforesaid, as to the accuracy, safety or fitness for any particular use.

6. The Researchers, TAU and/or Ramot shall not be liable for any damage, claim, demand, cost or expense of whatsoever kind or nature directly or indirectly arising out of or resulting from or encountered in connection with the use of the Software by Licensee or any person receiving it from Licensee.
